Microbiology Certificate Of Analysis

Product:	ANIMAL HEALTH PROBIOTIC	Our Lab Reference	2021-05-04-118
Client Sample ID:	ANIPROBIOTIC	Number: Laboratory	AQ56380
Batch Code:	EL022	Sample ID:	
Temperature:	AMBIENT	Analysis Start Date:	06-May-2021
Sample Condition:	As Received	Production Date:	15-Apr-2021
		Best Before Date :	15-Apr-2026
		Use-By Date:	

TEST DATE	TEST TYPE	REPORTING UNIT	METHOD REFERENCE	RESULT
6-May-2021	E. coli (Presumptive)- Microbial Limits*	per 10 g	SOP-MJ-036	NEGATIVE
6-May-2021	Total Coliform Count	cfu/g	SOP-MJ-030	NO GROWTH
6-May-2021	Salmonella (Presumptive)*	per 10 g	SOP-MJ-036	NEGATIVE
6-May-2021	Mould- Microbial Limits*	cfu/g	SOP-MJ-036	NO GROWTH
6-May-2021	Total Plate Count- Microbial Limits*	cfu/g	SOP-MJ-036	355
6-May-2021	Yeast- Microbial Limits*	cfu/g	SOP-MJ-036	NO GROWTH
6-May-2021	S. aureus (Confirmed)- Microbial Limits*	per 10 g	SOP-MJ-036	NEGATIVE
6-May-2021	P. aeruginosa (Confirmed)*	per 10 g	SOP-MJ-036	NEGATIVE

Ingredients List

INGREDIENTS

We have carefully selected the perfect combination of ingredients that when combined and bio-fermented in the right way can produce some magical results in helping animals battle illness, disease and promote natural healing and general health and well being.

Ingredients	Benefits
43 Naturally produced live culture soil-based probiotic strains - to promote "good and friendly" gut bacteria.	<p>"<i>Bdellovibrio</i> -and -like organisms" (BALOs) and well researched <i>Bacillus</i> genus strains form the core of the bacteria strains used.</p> <p>Carefully selected for their dual probiotic and antibiotic properties and their use as both an antibiotic to remove harmful and pathogenic bacteria, and as a probiotic to help curb and control the bacterial populations within the intestinal tract.</p> <p>Not affected by gastric acid and therefore increases bio-availability in the digestive tract.</p> <p>Proven to be Non Harmful to humans and animals.</p>
Bia-active Humus Extract and Organic Soil Carbons (All Non Carcinogenic) Extracted from virgin soil deposits to aid the fermentation process and blending of our ingredients to help accelerate the uptake of available nutrients in the gut.	<p>Rich in fulvic and humic acid which are well know for their natural health benefits:</p> <ul style="list-style-type: none">• Excellent source of essential minerals, amino acids, electrolytes and antioxidants,• Neuro-protective, antimicrobial and anti-inflammatory properties.• Promotes gut health and immune system function.• Improve circulation.• Improved cellular function and uptake of nutrients.
Molasses - One of the Oldest Super Foods	<ul style="list-style-type: none">• Abundant source of fulvic and humic acid• High in antioxidants and vitamins and minerals such as:• Iron, calcium, magnesium, vitamin B6, selenium, potassium.
